

Progress Report as at 31 January 2017

Seven months after our Appeal, 254 IOTA enthusiasts from 44 DXCCs responded generously by donating £21,997, putting us at 88% of the first goal of GBP 25,000 we need to achieve. About 52% of the funds were received from 124 EU hams, 36% from 70 NA hams and 11% from 48 AS hams. A total of 124 donors are on the IOTA Honour Roll and contributed 72% of the total funds received to date, while 70 donors had no IOTA record and contributed 19% of the total. The complete list of donors, seen below, will be updated periodically:

We wish to use this opportunity and thank all donors for their enthusiastic support of the planned IT activities. Since *paperless QSLing* will unquestionably benefit hugely both present and new IOTA members, **we want to encourage everyone in the community to support this effort by joining the Friends of IOTA!**
